

Update: June 2020

## Employment for qualified professionals – with foreign academic qualifications

As of March 2020 qualified professionals with a recognized foreign academic degree and a concrete job offer can apply for a visa. General information is provided [here](#). You are only considered as a qualified professional if your foreign university degree is recognized or equivalent to a German degree. **If you do not fulfill this requirement yet, you are not considered as a qualified professional and you should therefore not apply for this type of visa.**

Please note:

Further information regarding the possible “expedited procedure for qualified professionals” (fast track procedure) can be found [here](#). There is also a separate category in our appointment system for this type of applicants.

Moreover, you need to find out [here](#) if your profession is regulated (e.g. healthcare sector) or not.

If your profession is regulated:

At the end of the process you need to have a “Gleichwertigkeitsbescheid” **AND** a “Berufsausübungserlaubnis or a “Defizitbescheid”. Details are available [here](#).

If your profession is not regulated:

You should check if your [degree](#) is listed as “entspricht” or “gleichwertig” **AND** your [university](#) is listed as “H+” in “Anabin”. If one of these conditions does not apply, you must present a [Statement of Comparability issued by the Central Office for Foreign Education \(Zentralstelle für ausländisches Bildungswesen – ZAB\)](#)

You are required to present a valid passport (min. validity 6 months).

The following documents must be presented to the Embassy during your appointment. Make sure to handover only complete applications.
