

Standard Questionnaire

to prepare for the attesting of an application for a certificate of inheritance or a European Certificate of Succession (ECS)

Please type or complete in block capitals.

Any references to one gender in this questionnaire, e.g. the deceased, consular official, heir, etc., include both genders.

I.

Your replies to this questionnaire simplify the process of **applying for a certificate of inheritance or an ECS**. The facts required to substantiate the application for the issuance of a certificate of inheritance or ECS must be supported by evidence or an affirmation in lieu of an oath. Knowingly or negligently giving false information in such an affirmation is a punishable offence. In compensation proceedings, a false affirmation may invalidate all claims to compensation.

- Please bring valid **photo identification** with you.

You should submit the following **documents** with the application, if they are available:

1. Originals or photocopies (certified, if possible) of all **wills by the deceased**;
 - testamentary dispositions stipulating **which inheritance law should be applied**;
 - insofar as **judicial proceedings** are or have been pending, the documents relating thereto (e.g. probate).
 - If **inheritance has already been proven to the satisfaction of a foreign probate authority**, please submit the documents obtained.
2. The deceased's **death certificate**.
3. If the deceased's **spouse, descendants or other relatives** are the heirs, their **relationship with the deceased** must be proven.

Documents admitted as proof are:

- a) **a marriage certificate**;
- b) **a birth certificate or certificate of parentage**; or corresponding certified transcripts or extracts from the family book
- c) if the deceased's spouse or the relatives entitled to inherit died before the deceased, their **death certificates** must be submitted;
- d) if the heirs having an entitlement equal or higher-ranking to that of the applicant agreed with the deceased to **disclaim their inheritance**, this agreement must be submitted or the place where it is deposited specified;
- e) if an advance inheritance payment has been made (permitted under sections 1934 (d) and (e) of the German Civil Code (old version) until 1 April 1998), a certified transcript or copy of the **advance inheritance payment agreement** must be submitted;
- f) if an agreement was made between a father and his children born out of wedlock prior to 1 July 1949 pursuant to Article 12 (10) (a) of the Act on the Legal Status of Children Born Out of Wedlock, a certified transcript or copy of the **agreement** must be submitted;
- g) if an heir has **disclaimed the inheritance**, it is sufficient to refer to the probate records.

Please also submit letters from lawyers, notaries public, German and foreign authorities if available; in some cases, copies will suffice.

It is in the applicant's interest to submit to the consular officer all available documents concerning his/her right of inheritance, thus enabling the latter to carry out his/her duties as efficiently as possible. Gaps in the documentation are to the detriment of the applicant and may subsequently lead to the dismissal of the

application for a certificate of inheritance or an ECS by the probate court, which requires all evidence to be submitted.
